19 OCT 1959

Approval for Contractor Publicity

1. Under the terms of [] Task Order 1. []

is developing for this Staff a series of modular subassemblies. The attached letter from the contractor requests permission to publicize a photograph of two of the modules developed under this program. No information pertaining to the intended use of these modules can be obtained from this photograph, and from a technical viewpoint there is no objection to its use.

2. It is requested that [] be authorized to use this photograph as general publicity. The modules illustrated are the microphone preamplifier and audio processing modules of the transmitter program.
